Siem Reap - Cambodia

johmkann@gmail.com

+85587595556

PROFILE

Operations leader with hands-on experience building and running travel and mobility operations in Cambodia. Strong across customer experience, fleet coordination, partnerships, compliance, and local execution. Known for building practical systems, leading lean teams, and turning day-to-day operations into scalable business performance.

EXPERIENCE

GENERAL MANAGER

From October 2024 to Current | TUKTUKRENTAL CO., LTD

- Lead full operations across Cambodia, covering fleet management, logistics, customer experience, and execution across multiple cities.
- Increased bookings from 159 to 685 in 12 months by improving the product, strengthening partnerships, and making the service easier for international travelers to use.
- Oversee tax, legal, compliance, supplier relationships, and government-facing matters while building systems that support scalable growth.

LEAD CUSTOMER SUPPORT SPECIALIST

From September 2023 to September 2024 | Aleph Group, Inc

- Led end-to-end support operations, including help center setup, Freshdesk implementation, and live chat deployment.
- Trained team members and onboarded clients through Salesforce while handling KYC processes.
- Worked across product, support, and operations teams to improve service quality and internal structure.

SMB CUSTOMER SUPPORT SPECIALIST

From April 2022 to September 2023 | Aleph Group, Inc

- Supported SMB and SaaS clients across onboarding, compliance checks, campaign approvals, and daily support operations.
- Coordinated across internal teams in multiple markets and managed inbound inquiries.
- Helped maintain service quality in a fast-moving international environment.

TECHNICAL SUPPORT SPECIALIST

From September 2021 to March 2022 | inDrive - Contract

- Handled escalated customer support cases in a high-volume mobility environment.
- Worked with internal stakeholders to resolve complex issues quickly.
- Helped maintain service quality through fast case handling and clear feedback loops.
